

### Step One

Once you download the app, follow the prompts to add your personal information.

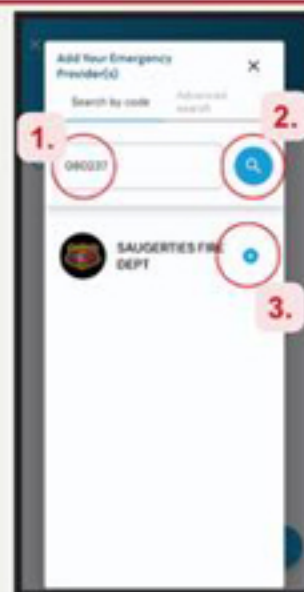

Once you reach the following screen, you will need to press the plus sign to add a new emergency provider.

### Step Two

Once the "Add Your Emergency Provider(s)" screen opens, type 080237 into the code box and choose the magnifier to search.

Press the plus sign to the right.

### Step Three

At this point you should see Saugerties Fire Dept. added.

CLICK ON THIS

Be sure to select the button to the left of Saugerties Fire Dept. to choose it as your emergency provider. One you make those sections your screen should look like this:
