New York State Law requires that all police agencies report to the Department of Criminal Justice Service (DCJS) anytime one of the categories of reportable Use of Force occurs:

- Display a chemical agent – To point a chemical agent at a subject.
- Use/Deploy a chemical agent – The operation of the chemical agent against a person in a manner capable of causing physical injury.
- Brandishes/Uses/Discharges a firearm – The operation of a firearm against a person in a manner capable of causing physical injury.
- Brandishes/Uses/Deploys an impact weapon or electronic control weapon – The operation of an impact weapon or electronic control weapon against a person in a manner capable of causing physical injury.
- Uses a chokehold or other similar restraint - Any application of sustained pressure to the throat or windpipe of a person in a manner that may hinder breathing or reduce intake of air.
- Conduct that Resulted in Death
- Serious bodily injury - Bodily injury that creates or causes: (1) a substantial risk of death; or (2) unconsciousness; or (3) serious and protracted disfigurement; or (4) protracted loss or impairment of the function of any bodily member, organ or mental faculty.
